

My Year in Numbers

private life

How many cups of coffee have I had?

New romantic acquaintances:

Reappearances from the last years:

Of which were dates:

Kissed by (both groups):

Of which I liked very much:

Of which I painfully missed:

Others I missed:

Train journeys in the dark:

Days I meditated:

Days I told myself to start yoga:

Books I've read:

Of which were good:

Cinema evenings:

Of which really amazing were:

How many cities?

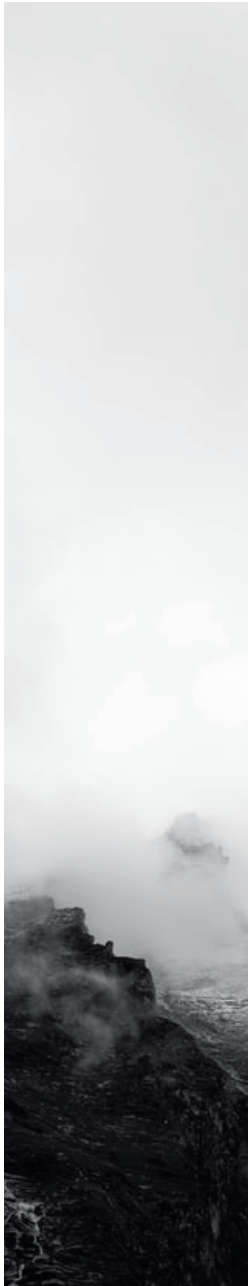

How many countries?

How often have I made it to the sea?

How many great new people have crossed my way?

Other meaningful encounters:

Weird encounters I try to erase from my memory:

My Year in Numbers

professional life

Application letters written:

Of which initially applied out of passion:

Job interviews:

Acquired jobs:

Side jobs:

Subcontracted jobs:

University teaching positions:

Social-media channels I learned to navigate and have opened an account for myself?

How many of them do I approve of?

How many do I "feed"?

How many do I enjoy?

How many I deem as worthy spending my time with?
